

Amendments to the Specification

Please replace paragraph 1 of page 1 of the application with the following amended paragraph:

This application is a continuation from a U.S. patent application with serial number 09/413,692, filed October 7, 1999, which claims priority from U.S. patent number 5,995,941, filed September 15, 1997 and issued November 30, 1999, which claims priority from provisional U.S. patent application serial number 60/026,128, filed September 16, 1996, all three disclosures of which are incorporated herein, in their entirety, by reference.
